2:30-3:20	Vocal Music (MWF), Band (TTh)
3:20	Dismissal

As a rule I do not allow piano lessons during class time because they get quite busy with their horn lessons and some have string lessons also. I usually try to schedule lessons during their math study halls. Fifth will have math first and then sixth will have it the second half. I don't allow students to leave during science because it is too hard to redo the experiments. Please try to schedule piano lessons after school hours or contact me to discuss the matter.
