Junior High Track 2010

Although it doesn't feel much like spring yet, it's the time of year to begin thinking about track season. The "official" middle school track workouts will begin on Monday, March 15 starting at 3:40. Track practices will go from 3:40-4:40 each school day. Sixth grade students are welcome to participate in all practices and will be allowed to participate in some of the track meets.

The following are the currently scheduled junior high track meets:

Thursday, April 8	Scotland	3:30	(6 th graders included)
Tuesday, April 13	Centerville	12:30	
Thursday, April 15	Menno	9:30	
Tuesday, April 27	TVC Centerville	1:00	(6 th graders included)
Monday, May 3	Freeman	4:00	(6 th graders included)
Saturday, May 8	Yankton	9:30	(6 th graders included)
Thursday, May 13	Irene	3:30	(6 th graders included)

Students participating in track are expected to be at all track practices unless cleared with the coach in advance or absent from school due to illness. "No shows" to practice will be expected to run extra at the next practice.

Students will be encouraged to try various different events in order to explore their interests and abilities in different areas.

At some practices and meets this season Mr. Dennis Lehman will also be assisting the junior high track team.

Hope you're looking forward to enjoying some sunshine and fresh air this spring!

Mr. Wollman
